EMPLOYMENT CAMPAIGN

REFUGEE & ASYLUM SEEKER CAMPAIGN

YCW is an international movement run by, for and with young people. We are inclusive of all cultures and religions.

YCW seeks to organise, educate and empower young people to be leaders of positive change within their own lives and the community.

YCW believes that both personal and collective action is the starting point for building justice, dignity and harmony into the fabric of society.

YCW carries out its work so that young people may be able to: discover the deepest meaning of their lives, live according to their dignity and take up responsibilities to finding solutions to their own situations.

Parramatta YCW has 3 campaigns:
to serve, educate & represent young workers.

YCW seeks to assist young people to find meaningful employment opportunities.
